*Believing, Achieving, Serving*

October 31, 2023

Dear Catholic Secondary School Council Chair:

We hope you are doing well and thank you for your faith filled leadership. Further to our letter dated September 27, 2023 and requirements under Ontario Regulation 132/12, we wanted to advise you that we have been notified by staff that upon further review, the 2022/23 secondary average class sizes previously reported to you were incorrect.

The correct 2022-2023 secondary school system average class sizes were; **21.64** for in-school (face to face and virtual school learners) and **24.75** for e-Learning (on-line) classes. As indicated in our September 27, 2023 letter, it is important to note that the numbers reflect **system averages**, meaning that individual class sizes will often exceed or be below individual schools or system averages.

We regret any confusion our previous letter may have caused.

Yours very truly,

Patrick J. Daly  
Chairperson of the Board

David Hansen  
Director of Education
