To the Board of Trustees of the
Hamilton-Wentworth Catholic District School Board

We have audited the accompanying consolidated financial statements of the Hamilton-Wentworth Catholic District School Board, which comprise the consolidated statement of financial position as at August 31, 2014 and the consolidated statements of operations, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of these consolidated financial statements in accordance with the basis of accounting described in Note 1 to the consolidated financial statements and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements as at and for the year ended August 31, 2014 are prepared, in all material respects, in accordance with the basis of accounting described in Note 1 to the consolidated financial statements.

Emphasis of matter

Without modifying our opinion, we draw attention to Note 1 to the consolidated financial statements which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards.

MANAGEMENT REPORT

Management's Responsibility for the Consolidated Financial Statements

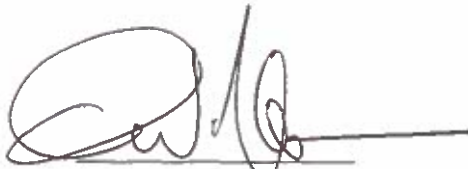

The accompanying consolidated financial statements of the Hamilton-Wentworth Catholic District School Board are the responsibility of the Board management and have been prepared in accordance with the Financial Administration Act, supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act, as described in Note 1 to the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Board management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Board meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by Grant Thornton LLP, independent external auditors appointed by the Board. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

August 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of Hamilton-Wentworth Catholic District School Board [the "Board"] are prepared by management in accordance with the basis of accounting described below.

[a] Basis of accounting

These consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the Consolidated Statements of Operations over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which requires that

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

As a result, revenue recognized in the Consolidated Statements of Operations and certain related deferred revenues and deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

[b] Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.

Consolidated entities:

- Hamilton-Wentworth Catholic District School Board
- School Generated Funds

Proportionately consolidated entities:

- Hamilton-Wentworth Student Transportation Services

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

[c] Trust funds

Trust funds and their related operations administered by the Board are not included in the consolidated financial statements as they are not controlled by the Board.

[d] Cash and cash equivalents

Cash and cash equivalents are comprised of cash on hand, demand deposits and short-term investments. Short-term investments are highly liquid, subject to insignificant risk of changes in value and have an original maturity term of 90 days or less.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

[e] Investments

Temporary investments consist of marketable securities which are liquid short-term investments with maturities between three months and one year at the date of acquisition, and are carried on the Consolidated Statements of Financial Position at the lower of cost or market value.

Long-term investments consist of investments that have maturities of more than one year. Long-term investments are recorded at cost, and assessed regularly for permanent impairment.

[f] Deferred revenue

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

[g] Deferred capital contributions

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contribution as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- Government transfers received or receivable for capital purpose
- Other restricted contributions received or receivable for capital purpose
- Property taxation revenues which were historically used to fund capital assets

[h] Retirement and other employee future benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance and health care benefits, retirement gratuity, workers' compensation and long-term disability benefits. The Board has adopted the following policies with respect to accounting for these employee benefits:

- [i] The costs of self-insured retirement and other employee future benefit plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care cost trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities are actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group;

Hamilton-Wentworth Catholic District School Board

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

August 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as retirement gratuities and life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for workers' compensation, long-term disability and life insurance and health care benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise;

[ii] The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System ["OMERS"] pensions, are the employer's contributions due to the plan in the period; and

[iii] The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

[i] Tangible capital assets

Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Tangible capital assets, except land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Estimated Useful Life in Years
Land improvements with finite lives	15
Buildings and building improvements	40
Portable structures	20
Other buildings	20
First-time equipping of schools	10
Furniture	10
Equipment	5-15
Computer hardware	5
Computer software	5
Vehicles	5-10
Leasehold improvements	Over the lease term

Hamilton-Wentworth Catholic District School Board

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

August 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Assets under construction and assets that relate to pre-acquisition and pre-construction costs are not amortized until the asset is available for productive use.

Land permanently removed from service and held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service and held for resale cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value. Tangible capital assets which meet the criteria for financial assets are reclassified as "assets held for sale" on the Consolidated Statements of Financial Position.

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

[j] Government transfers

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made.

Government transfers for capital that meet the definition of a liability are referred to as deferred capital contributions (DCC). Amounts are recognized into revenue as the liability is extinguished over the useful life of the asset.

[k] Investment income

Investment income is reported as revenue in the period earned.

When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development charges and special education forms part of the respective deferred revenue balances.

[l] Long-term debt

Long-term debt is recorded net of related sinking fund asset balances.

[m] Budget figures

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

August 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

[n] Use of estimates

The preparation of consolidated financial statements in conformity with the basis of accounting described in Note 1[a] requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. Significant estimates include assumptions used in estimating the collectability of accounts receivable to determine the allowance for doubtful accounts, in estimating provisions for accrued liabilities and in performing actuarial valuations of employee future benefits liabilities. Actual results could differ from those estimates.

2. ACCOUNTS RECEIVABLE – GOVERNMENT OF ONTARIO

The Province of Ontario replaced variable capital funding with a one-time debt support grant in 2009-10. The Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this account receivable.

The Board has an account receivable from the Province of Ontario of \$157,042,735 at August 31, 2014 [2013 - \$177,239,947] as with respect to this capital grant.

3. ASSETS HELD FOR SALE

As of August 31, 2014 \$3,430,868 [2013 - \$174,160] related to buildings and \$304,364 [2013 - \$95,252] related to land were recorded as assets held for sale. Assets with a book value of \$1,383,953 relating to school property were sold for proceeds of \$2,398,545 in the current year. All proceeds on the sale were deferred for future capital asset purchases according to Ontario Regulation 193/10.

4. TEMPORARY BORROWING

The Board has a banker's acceptance facility available to the maximum of \$82,798,899 for the purpose of bridge financing capital expenses.

As at August 31, 2014, the amount drawn under the bankers' acceptance facility was \$44,751,864 [2013 - \$42,861,643] at a rate of 2.15%.

5. DEFERRED REVENUE

Revenues received and that have been set aside for specific purposes by legislation, regulation or agreement are included in deferred revenue and reported on the Consolidated Statements of Financial Position.

Deferred revenue set-aside for specific purposes by legislation, regulation or agreement as at August 31, 2014 is comprised of the following:

Plan Changes

In 2013, changes were made to the short term leave and disability plan. Under the new short term leave and disability plan, 11 unused sick leave days may be carried forward into the following year only, to be used to top-up benefits received under the short term leave and disability plan in that year. A new provision was established as of August 31, 2013 representing the expected usage of sick days that have been carried forward for benefit top-up in the following year.

¹ Excluding pension contributions to OMERS, a multi-employer pension plan, described above.

7. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

Retirement life insurance and health care benefits have been grandfathered to existing retirees and employees who will retire in 2012-13. Effective September 1, 2013, any new retiree accessing Retirement Life Insurance and Health Care Benefits will pay the full premiums for such benefits and will be included in a separate experience pool that is self-funded.

Actuarial Assumptions

The accrued benefit obligations for employee future benefit plans as at August 31, 2014 are based on the most recent actuarial valuations completed for accounting purposes as at August 31, 2014 and based on updated average daily salary and banked sick days as at August 31, 2014. These valuations take into account the plan changes outlined above and the economic assumptions used in these valuations are the Board's best estimates of expected rates of:

	2014 %	2013 %
Inflation	2.0	2.0
Wage and salary escalation	-	-
Dental insurance cost escalation (decreasing 0.25% per annum until 3% is reached)	4.50	4.75
Health insurance cost escalation (decreasing 0.25% per annum until 4% is reached)	8.50	8.75
Discount on accrued benefit obligations	2.85	3.4

Retirement benefits

[i] Ontario Teachers' Pension Plan (OMERS)

Teachers and related employee groups are eligible to be members of the Ontario Teachers' Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

[ii] Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of OMERS, a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. The Board contributions equal the employee contributions to the plan. During the year ended August 31, 2014, the Board contributed \$4,812,353 [2013 - \$4,591,178] to the plan. As this is a multi-employer pension plan, these contributions are the Board's pension benefit expenses. No pension liability for this type of plan is included in the Board's consolidated financial statements.

7. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

[iii] Retirement gratuities

The Board provides retirement gratuities to certain groups of employees hired prior to specified dates. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The amount of the gratuities payable to eligible employees at retirement is based on their salary, accumulated sick days, and years of service at August 31, 2012.

[iv] Retirement life insurance and health care benefits

The Board continues to provide life insurance and dental and health care benefits to certain employee groups after retirement until the members reach 65 years of age.

The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements.

Effective September 1, 2013, employees retiring on or after this date, will no longer qualify for board subsidized premiums or contributions.

Other employee future benefits

[i] Workplace Safety and Insurance Board ["WSIB"] obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act [the "Act"] and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. Plan changes made in 2012 requires school boards to provide salary top-up to a maximum of 4 ½ years for employees receiving payments from the Workplace Safety and Insurance Board, where the previously negotiated collective agreement included such provision.

A reserve for WSIB has been established by the Board with a balance of \$556,794 [2013-\$556,794] as at August 31, 2014. The Board has also contracted with an insurer for coverage of claims paid in excess of \$500,000 per employee accident.

7. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

[ii] Long-term disability life insurance and health care benefits

The Board provides life insurance and dental and health care benefits to employees on long-term disability leave. The Board is responsible for the payment of life insurance premiums and the costs of health care benefits under this plan. The Board provides these benefits through an unfunded defined benefit plan. The costs of salary compensation paid to employees on long-term disability leaves are fully insured and not included in this plan.

[iii] Sick Leave Top-Up Benefits

As a result of new changes made in 2012-2013 to the short term sick leave and disability plan, a maximum of 11 unused sick leave days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefit costs expensed in the financial statements are \$217,209 (2013-\$265,254)

The accrued benefit obligation for the sick leave top-up is based on an actuarial valuation for accounting purposes as of August 31, 2014. This actuarial valuation is based on assumptions about future events.

16. SHORT-TERM CREDIT FACILITY

The Board has an authorized demand operating line of credit totaling \$25,000,000, of which \$5,000,000 is authorized solely for letters of credit. At August 31, 2014, \$547,776 [2013 - \$217,467] of this line was utilized by letters of credit. The lines of credit bear interest at a fixed rate of 1.0%.

17. ONTARIO SCHOOL BOARD INSURANCE EXCHANGE (OSBIE)

The Board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Liability insurance is available to a maximum of \$24,000,000 per occurrence.

The ultimate premiums over a five year period are based on the reciprocal's and the Board's actual claims experience. Periodically, the Board may receive a refund or be asked to pay an additional premium based on its pro rata share of claims experience. The current five year term expires December 31, 2016.

18. PARTNERSHIP IN HAMILTON-WENTWORTH STUDENT TRANSPORTATION SERVICES, A TRANSPORTATION CONSORTIUM

On May 31, 2009, the Board entered into an agreement with the Hamilton-Wentworth District School Board in order to provide common administration of student transportation in the Region. This agreement was executed in an effort to increase delivery efficiency and cost effectiveness of student transportation for each of the Boards. Under the agreement, decisions related to the financial and operating activities of the Hamilton-Wentworth Student Transportation Services are shared and no partner is in a position to exercise unilateral control.

This entity is proportionately consolidated in the Board's consolidated financial statements to reflect the Board's portion of costs incurred. Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

The Hamilton-Wentworth District School Board does not control any assets of Hamilton-Wentworth Student Transportation Services. The Board has recorded its shares of revenue and

19. REPAYMENT OF “55 SCHOOL BOARD TRUST” FUNDING

On June 1, 2003, the Board received \$1,051,243 from The 55 School Board Trust for its capital related debt eligible for provincial funding support pursuant to a 30-year agreement it entered into with the trust. The 55 School Board Trust was created to refinance the outstanding not permanently financed (NPF) debt of participating boards who are beneficiaries of the trust. Under the terms of the agreement, The 55 School Board Trust repaid the Board's debt in consideration for the assignment by the Board to the trust of future provincial grants payable to the Board in respect of the NPF debt.

As a result of the above agreement, the liability in respect of the NPF debt is no longer reflected in the Board's financial position.

20. SUBSEQUENT EVENT

On September 26, 2014 assets with a book value of \$3,735,232 were sold for proceeds of \$7,031,150. These assets have been recorded as Assets Held for Sale at August 31, 2014. All proceeds on this sale will be deferred for future capital asset purchases according to Ontario Regulation 193/10.

21. COMPARATIVE FIGURES
