

Parent/Guardian/Student Opt-out Form of eLearning Graduation Requirement

Dear Parent/Guardian:

Students are now required to earn two eLearning credits to graduate from secondary school beginning with every student who entered Grade 9 in the 2020-21 school year.

On-line learning refers to eLearning courses that do not require students to be physically present with one another or with their teacher in school. Parents/Guardians may choose to opt their child out of the mandatory eLearning courses required for graduation.

This opt-out form is included as part of the annual course selection process for all Catholic secondary school students. This opt-out form may be distributed electronically or in print; however, a print copy of all opt-out forms must be returned to the student's school and will be included in the student's OSR (Ontario Student Record). The form does not have to be returned to the school if your child is choosing to fulfill the two credit eLearning course graduation requirement.
