

Bay Area Science and Engineering Fair sponsored by ArcelorMittal Dofasco
March 25 to March 31 2015
at Mohawk College
Big ideas. Infinite Possibilities

AWARD WINNERS (not including Special Awards) – as of April 1 2015

ArcelorMittal Dofasco Pinnacle Best-in-Fair Award

Catharine Bowman, St. Mary Catholic Secondary, Hamilton-Wentworth Catholic District School Board.
S16 - 'The Pharmacological Potential of Apigenin and Diosmetin as a Novel Treatment for Chronic Lymphedema'.

ArcelorMittal Dofasco Pinnacle Second Best-in-Fair Award

Claire Hunter, St. Augustine Catholic Elementary, Hamilton-Wentworth Catholic District School Board.
K02 - 'Silent Music: A Novel Approach to Anxiety Reduction Using Tactile Sound'.

ArcelorMittal Dofasco Pinnacle Third Best-in-Fair Award

Adree Khondker from **Westdale Secondary**, Hamilton-Wentworth District School Board
S08 - 'Membrane-Based Medicine: Quantifying Cortisone Interactions through X-Ray Diffraction'.

Drs. Ranjan and Monalisa Sur Award for Best High School Project: Catharine Bowman

Roy Middleton Award for Best Junior Project: Claire Hunter

The BASEF Chairman's Award

Christina Oeun and Irene Ly from **Hess Street Elementary**, Hamilton-Wentworth District School Board.
H10 - 'Zombie Metal vs Plants : Does decayed metal affect plant growth?'

The BASEF Committee Award for **top elementary school** was awarded to Trinity Christian School, Burlington

The Herb Gildea award for **top secondary school** was won by King's Christian Collegiate, Oakville

Intel International Science & Engineering Fair Trip Awards

Three top high school winners will travel to Pittsburgh, Pennsylvania in May to compete at the **Intel International Science and Engineering Fair**. They are:

Catharine Bowman, St. Mary, Hamilton-Wentworth Catholic District School

Adree Khondker, Westdale, Hamilton-Wentworth District School Board

Samuel Han, Abbey Park High School, Halton District School Board

N05 - 'Identifying Compounds for Modulating N17 Phosphorylation of Huntingtin via High Content Screening'.

Sixteen of the top students won trips to the **Canada Wide Science Fair** to be held in May in Fredericton, New Brunswick

These winners are:

Samna Aziz, Westmount, Hamilton-Wentworth District School Board

K21 - Acrylic or Ceramic?- Investigating the Properties of Calcium Phosphate Cements as Bone-Replacing Material

Jessica Bohm, St. Augustine, Hamilton-Wentworth Catholic District School Board

L07 - Crudely Corrosive: Comparing the Effect of Light and Heavy Crude Oils on Steel Pipeline Corrosion

Lucas Brenninkmeijer, Oakville Christian School, Oakville

E20 - Do Cell Phones Inhibit Growth?

Katie Brent, Notre Dame, Halton Catholic District School Board

T07 - EMMA: ElectroMyographically Manipulated Arm - The Future of Prosthetics

Federico Cao, Westdale, Hamilton-Wentworth District School Board

J20 - A Mathematical Model: The Effects of Changing an Astronomical Object's Size on Orbital Motion

Jessica Dekker, St. Joseph, Hamilton-Wentworth Catholic District School Board

M10 - Smarter Than A Child-Proof Container

Kevin Ding, Appleby College, Oakville

C01 - How does caffeine affect the heart rate of daphnia

Julia Dobrovolskis, Hillfield Strathallan College, Hamilton

A05 - STICKY SITUATION - A Qualitative and Quantitative Analysis Of Heavy Metal Contamination of Honey

Aaron Gomes, King's Christian Collegiate, Oakville

S01 - Microwave Assisted Extraction of Polyphenols from Cocoa Powder

Claire Hunter, St. Augustine, Hamilton-Wentworth Catholic District School Board

K02 - Silent Music: A Novel Approach to Anxiety Reduction Using Tactile Sound

Caroline Mahut, M. M. Robinson High School, Halton District School Board

T24 - Taking the Flyway

Jack Mogus, White Oaks School, Halton District School Board

T08 - A Novel Investigation In Reducing Tanker Car Incident / Accident Using Engineered Technologies

Ainsley Morrison and Brooke Westwater, Maple Grove Public School, Halton District School Board

Q02 - The Oil Eater

Maggie Williams, Ancaster High, Hamilton-Wentworth District School Board

G08 - Filtering Estrogenic Substances from Liquid Waste at the Household Level

Michael Wolfe, Trinity Christian School, Burlington

G03 - Wi-Tricity

Primary Fluid Systems Gold Merit Awards

Samna Aziz, Westmount, Hamilton-Wentworth District School Board,

K21, Acrylic or Ceramic?- Investigating the Properties of Calcium Phosphate Cements as Bone-Replacing Material

Jessica Bohm, St. Augustine, Hamilton-Wentworth Catholic District School Board,

Brooke Westwater, Maple Grove Public School, Halton District School Board,

Q02, The Oil Eater

Maggie Williams, Ancaster High, Hamilton-Wentworth District School Board,

G08, Filtering Estrogenic Substances from Liquid Waste at the Household Level

Primary Fluid Systems Silver Merit Awards

Akshayan Ahilan, Dalewood, Hamilton-Wentworth District School Board,

G21, Can I Eat That Bacon

Deanna Allain, Westmount, Hamilton-Wentworth District School Board,

K20, Autism's Paw-fect Therapy

Arooba Amir, Dalewood, Hamilton-Wentworth District School Board,

H18, Mnemonic Memory

Andrew Antoun, King's Christian Collegiate, Independent,

E14, Biobutanol: Driving Our World Forward

Nolan Babin, Sacred Heart of Jesus, Hamilton-Wentworth Catholic District School Board,

K11, Is A Dam Worth It?

Maryam Bahnam, King's Christian Collegiate, Independent,

E13, Acid Etching in Dentistry

Zia Baig, Escarpment View Public School, Halton District School Board,

S21, Plants & Pollutants

Nart Barileva, Abbey Park High School, Halton District School Board,

N06, Using Copper's Natural Properties to Prevent Microbial Contamination of Computer Keyboards

Wilson Becke, Sir Ernest Macmillan Public School, Halton District School Board,

T18, The Correlation of Coronal Mass Ejections with the Solar Sunspot Cycle

Yash Bhamare, North Park Collegiate and Vocational School, Grand Erie School Board,

R04, Age is but a number...or is it?

Aidan Britnell, Oakville Christian School, Independent,

F18, Flying the Friendly Skies: Efficient Air Traffic Management in Canada

Megan Bureau, Oakville Christian School, Independent,

E21, Polar Bears in Miami

Molly Butler, Oakville Christian School, Independent,

F15, Bats on the Brink: A Study of the Origin, Spread and Potential Cure for White Nose Syndrome in North American Bats.

Federico Cao, Westdale, Hamilton-Wentworth District School Board,

J20, A Mathematical Model: The Effects of Changing an Astronomical Object's Size on Orbital Motion

Annie Chen, Appleby College, Independent, C03, Boost Your Memory

Kira Clarke, Hamilton Academy of Performing Arts, Independent,

C21, Reach out and meet someone: The power of Allport's contact hypothesis

Jason Clapiz, St. Michael, Hamilton-Wentworth Catholic District School Board,

S17, Signal Shirt

Jessica Cotter, St. Augustine, Hamilton-Wentworth Catholic District School Board,

K05, A Salty Situation

Colin Daly, Cathedral, Hamilton-Wentworth Catholic District School Board,
S10, Optimization and Construction of a 3D Printer

Sofia Dell, Maple Grove Public School, Halton District School Board,
P04, Colour vs. Comprehension

Erin Demopolis, Hillfield Strathallan College, Independent,
A10, Behind the Peel

Marina Desousa, Hamilton Academy of Performing Arts, Independent,
C21, Reach out and meet someone: The power of Allport's contact hypothesis

James Donnelly-Lowe, John William Boich, Halton District School Board,
S25, A Learning App For Kids

Emily Dotzlaw, King's Christian Collegiate, Independent,
E07, Recombinant Polyclonal Antibody Ebola Vaccine

Anastasia Drakos, Hillfield Strathallan College, Independent,
D13, Photoprotection: The Effectiveness of Automotive Glass Options In Reducing Ultraviolet Radiation

Hannah Faber, Trinity Christian School, Independent,
G01, Is Green the New Clean?

Christoph Fusch, Ancaster Senior, Hamilton-Wentworth District School Board,
G11, Water Purification with Bio Waste

Mark Georgy, King's Christian Collegiate, Independent,
E08, Effects of Energy Drinks on Mental and Physical Stimulation

Mark Gobran, Oakville Christian School, Independent,
F20, EyeBot

Henry Greenberg, Forest Trail Public School, Halton District School Board,
S22, The Scoop on Stoop

Dominique Greyvenstein, Oakville Christian School, Independent,
F21, Left vs. Right

Claire Groot, Trinity Christian School, Independent,
F05, Pop Colours

Thomas Habicht, Home Schooling, Independent,
A12, Resource Management with Arduino

Abdullah Hadi, Sir Ernest Macmillan Public School, Halton District School Board,
T18, The Correlation of Coronal Mass Ejections with the Solar Sunspot Cycle

Ryan Hines, Regina Mundi, Hamilton-Wentworth Catholic District School Board,
K13, Green Energy From Brown Water

Sam Hollinrake, W. H. Morden Public School, Halton District School Board,
Q13, 'Wi' Worry?

Steven Hua, Escarpment View Public School, Halton District School Board,
S21, Plants & Pollutants

Anthony Hunt, St. Margaret Mary, Hamilton-Wentworth Catholic District School Board,
M04, Can Pigment Perfect Paint Help Us Be Green?

Cole Hynes, Hillfield Strathallan College, Independent, E02, The Water Challenge

Shivaani Iyer, W. H. Morden Public School, Halton District School Board,
Q17, Eyes Don't Lie...Or Do They?

Rakshita Jain, Dalewood, Hamilton-Wentworth District School Board,
H18, Mnemonic Memory

Sara Kemper, Hillfield Strathallan College, Independent,
D13, Photoprotection: The Effectiveness of Automotive Glass Options In Reducing Ultraviolet Radiation

Noah Kunej, North Park Collegiate and Vocational School, Grand Erie School Board,
R04, Age is but a number...or is it?

Reagan Lindsay, Oakville Christian School, Independent,
F14, Is My Lizard a Leftie?

Gavin Little, King's Christian Collegiate, Independent,
E19, The Effectiveness of the Natural Yeast on Pineapple in the Fermentation Process

Daniel Liu, Westdale, Hamilton-Wentworth District School Board,
J21, Is Diabetes Favoured by Natural Selection?

Aniello Lombardi, Regina Mundi, Hamilton-Wentworth Catholic District School Board,
K13, Green Energy From Brown Water

Christine Macpherson, Rotherglen School (Oakville), Independent,
F10, Fertilizer Footprint (The Effect of Reactive Nitrogen on Marine Life)

Monica Mahut, Rolling Meadows Public School, Halton District School Board,
T20, EyeLight: Leading Enlightened Drivers

Caroline Mahut, M. M. Robinson High School, Halton District School Board,
T24, Taking the Flyway

Nick Mancini, Hillcrest, Hamilton-Wentworth District School Board,
H05, This doesn't add up

Matthew McGuire, Ancaster High, Hamilton-Wentworth District School Board,
G09, Optimizing a Hybrid Rocket Engine

Adam McLean, St. Joachim, Hamilton-Wentworth Catholic District School Board,
M17, A Magnetic Linear Accelerator

Meghan Mitchell, Hillfield Strathallan College, Independent,
D10, Pineapple perfection

Jack Mogus, White Oaks School, Halton District School Board,
T08, A Novel Investigation In Reducing Tanker Car Incident / Accident Using Engineered Technologies

Chad Moody, Hillcrest, Hamilton-Wentworth District School Board,
H05, This doesn't add up

Gabriella Moraes Rae, Oakville Christian School, Independent,
F13, Afterthoughts on Afterimages
